Sub: Connectivity – Facility for migration of member link(s) at Mumbai BKC POP to Category I

This circular is issued in continuation of NSE/MSD/75501 dated July 31, 2026, wherein the Exchange announced the digital submission facility for Category I connectivity, intended for members wishing to access only the Commodity Derivative Segment over a dedicated leased line.

The Exchange has received feedback from members requesting facilitation for the migration of their existing connectivity, currently availed through the “Mumbai BKC” POP, to the newly introduced Category I connectivity with larger pool of IP. In this regard, the Exchange is pleased to announce a one-time migration window to enable members to migrate their existing self-service lease line connectivity from Mumbai BKC POP to Category I.

Members are requested to note the following key points w.r.t. migration facility:

- Members wishing to avail this migration facility shall be required to apply to the Exchange as per the format provided in Annexure A.
- Only connectivity currently availed through the Mumbai BKC POP is eligible for this migration.
- Migration shall be scheduled only on Friday’s or last trading day of the week after market hours upon request of the member.
- The Exchange will facilitate this migration on a one-time basis only and reversal or change to any other category will not be permitted.
- Apart from the IP address, all other connectivity details, including POP Details, Last Mile Service Provider, Service Mode, and connectivity termination address, will remain unchanged at the end of the migration.

All other terms, conditions, and offering details communicated vide circular ref. no. NSE/MSD/75501 dated July 31, 2026, shall remain unchanged.

This circular shall be effective immediately.
