|      |                              | In line with para 12.24 of SEBI Master Circular on Mutual Funds dated June 27, 2024, the cumulative gross exposure through debt, derivative positions, repo transactions in corporate debt securities, other permitted securities/assets and such other securities/assets as may be permitted by SEBI from time to time, subject to regulatory approvals, if any, should not exceed 100% of the net assets of the scheme.                                                                                                                                                                                                                                                                                                              |                                                                                                                                                         | In line with para 13.18 of SEBI Master Circular dated March 20, 2026, the cumulative gross exposure through debt, derivative positions, repo transactions including repo in corporate debt securities, credit default swaps, other permitted securities/assets and such other securities/assets as may be permitted by SEBI from time to time, subject to regulatory approvals, if any, should not exceed 100% of the net assets of the scheme. |                                                                                                                                                                                |
|      |                              | Subject to the SEBI Regulations, the asset allocation pattern indicated above may change from time to time keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute. These proportions can vary substantially depending upon the perception of the Fund Manager, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and for defensive considerations only. The Fund Manager will restore asset allocation in line with the asset allocation pattern within 3 months. |                                                                                                                                                         | Rebalancing due to Short Term Defensive Consideration:<br><br>Due to market conditions, the AMC may invest beyond the range set out in the asset allocation. Such deviations shall normally be for a short term and defensive considerations as per para 1.9.1(b) of SEBI Master Circular dated March 20, 2026 and the fund manager will rebalance the portfolio within 30 calendar days from the date of deviation.                            |                                                                                                                                                                                |
| 7.   | Where will the Scheme invest | The corpus of the Scheme will be primarily invested in Debt & Money Market Instruments, such that the Macaulay duration of the portfolio is between 1 year to 3 years, which will include but not limited to:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                         | The corpus of the Scheme will be primarily invested in Debt & Money Market Instruments, such that the Macaulay duration of the portfolio is between 1 year to 3 years, which will include but not limited to:                                                                                                                                                                                                                                   |                                                                                                                                                                                |

Pursuant to aforesaid changes, necessary / consequential changes in the risk factors, investment restrictions and other relevant details, if any, will be carried out at all relevant places in the Scheme Information Document (**‘SID’**) and Key Information Memorandum (**‘KIM’**) of the Scheme.

As per para 3.8.9 of SEBI Master Circular, the aforesaid changes to the Scheme to bring it in line with categories of schemes listed in Part IV under Chapter 3 of SEBI Master Circular shall not be considered as fundamental attribute change.

The Board of Directors of Invesco Asset Management (India) Pvt. Ltd. and the Board of Directors of Invesco Trustee Pvt. Ltd., at their respective Board Meetings held on May 25, 2026 and May 26, 2026, have approved the aforesaid changes to the Scheme.

Pursuant to aforesaid changes, necessary / consequential changes will be carried out at all relevant places in the SID and KIM of the Scheme.

All other features, terms and conditions of the Scheme will remain unchanged.

This addendum forms an integral part of the SID / KIM of the Scheme as amended from time to time.
